SCOUTS ATHLETIC PROGRAM

With Games and Other Events Troops 1 and 2 Entertained Their Friends Saturday Night.

Troops 1 and 2, Boy Scouts entertained their boy friends and a number of parents Saturday night at Scout headquarters with an athletic program that was hugely enjoyed by some sixty or seventy youngsters and a number of grown folks. Assistant Scoutmaster Frank Green arranged a number of events—most of them for the fun that might be had, and a blindfold boxing match between Harold Miller and Don Herndon easily took first honors; each of the three rounds was a riot—for the onlookers. Other events were:

"Let- 'er-buck," between teams from both troops.

Wrestling match: Robert Godsey and Sherman McCloud.

Boxing match: Harold Allen and Raymond Hill.

Tug-'o-war: Troops 1 and 2.

Wrestling match: Clarence Conklin and Robert Westfall.

One-armed wrestling match: Ike Miller and Paul Kissinger.

Boxing match: Donald Zook and Robert Godsey.

Staff sparring match: Laverne Robey and Vodrie Willoughby.

Game of prisoners: Troops 1 and 2. Hot weenies and buns were served.

After the games Scout Commissioner C. E. Wells told the Scouts he was glad to see the troops growing and their organization getting stronger. He said the program offered by Scouting should interest every boy of Scout age and that there was every indication that the movement here would prove its worth.

The Scouts will begin practising Wednesday night for their part in the annual vaudeville show to be given at the Empire theatre next Monday night.

Mrs. Jennie Zook received word this morning that her son Roscoe L. Zook with the 334th Machine Gun Battalion arrived from overseas service March 7 and is now at Camp Merritt.

ANNUAL VAUDEVILLE SHOW

Big Boy Scout Event at the Empire Next Monday Night Promises to Be Better Than Ever.

The annual vaudeville show given by the Boy Scouts is announced to be given next Monday night, March 17 at the Empire theater. Those who attended the show last year remember that it was one of the best and the most entertaining amateur productions ever given here and those in charge promise that next week's event will be even better. Some eight or nine new and novel acts will comprise the entertainment, which will be in two parts and will combine comedy, music, acrobats, drills, beauty choruses and "other things too numerous to mention."

Rehearsals have been in progress for the past week and the public may be assured that they will get their money's worth.

THEIR GOLD SERVICE STRIPES

Nodaway County Boys with the American Army of Occupation Tell Cost of Prized Insignia.

Miesenheim, Germany, Feb. 29, 1919.
Editor Democrat-Forum:

We are writing this to you in the hope that it will be given publicity through the medium of your publication, so that the public may be enlightened as to what a gold service stripe means to the men overseas.

It seems that the government is going to abolish the wearing of gold service stripes as a distinction for men who have served overseas, because of the envy of those soldiers who were in the camps in the states, while we were enduring untold hardships overseas.

While they were going week-end leaves we were risking our lives on a troop ship. While they were riding home in passenger coaches, we were riding toward the front in cattle cars. While they were eating of the fat of the land, we were sometimes half starved and had to risk our lives just to get enough to appease our hunger. And, while they were facing a harmless rifle range, we had to face death in the form of a raging hell from the enemy. And while they were sleeping in good sanitary beds, we were sleeping in the open or in dugouts, with rodents for companions. And when they took a bath and changed clothes, we [had] to do without and become filthy and lousy with cooties; for th[ere] was no opportunity to bathe or change clothes. While they were in a quiet camp, we were facing machine gun bullets, high explosives, and gas. While they had the conveniences of light at night, we had to be satisfied with total darkness, because of exposure to the enemy.

And now that the war is practically over, they are back again at their firesides, while we must stay over here until peace is assured. And in spite of all these things they would deny us the privilege of wearing a gold stripe as a distinction for overseas service for the flag of the U. S., which helped to make the world safe for Democracy.

With no animosity towards those who did not get over here to this hell that was, we remain,

Yours respectfully,

TAX RETURNS NOT UNIFORM

Jefferson City, Mo., March 10.—Most of the Missouri counties have made their 1918 assessment returns to the state tax commission, and the results show a remarkable lack of uniformity in the values placed on proeprty by local assessors. In Buchanan county, according to the commission's figures, property was assessed at 50.24 per cent of actual cash value, the lowest in northwest Missouri save Platte county which also assessed at 50.24 per cent and Clinton county, 39.39 per cent.

In Atchison county property was assesser at 92.29 per cent of actual value Nodaway county, 77.67; Holt, 65; Andrew, 64.47; Worth, 59.90; Gentry, 73.21; DeKalb, 84.50; Clay, 88.68, anda Jackson, 52.24. The state tax commission is now engaged in equalizing these assessments, with a view to bringing them all up to 100 per cent value.

WEDDED 55 YEARS

MR. AND MRS. HENRY SOUERS CELEBRATE ANNIVERSARY

ENTERTAIN AT DINNER

Among the Guests Present Two Were at the Wedding Which Occurred in Civil War Days.

Fifty-five years ago today Henry M. Souers, a soldier of the Civil war, was granted a furlough and wearing the army blue, he came back to his home in Huntington County, Ind., to marry his childhood sweetheart, Tressie M. McFadden. After the ceremony he hurried back to join his company and it was over a year before he saw his bride again.

The young soldier was accompanied home on his furlough by his cousin, Aaron R. Souers, also wearing the blue of the Union and for a day both forgot war and enlisted under General Cupid, the cousin serving as best man at the wedding.

Yesterday Mr. and Mrs. Souers gave a dinner party to celebrate the event holding it a day previous to make the gathering more convenient for some of the guests. Two present at the dinner yesterday were present at the marriage of Mr. and Mrs. Souers on March 10, 1864. They were Mrs. W. A. Bonewitz, a sister of Mrs. Souers, and A. R. Souers, the cousin of the groom.

Shortly after the marriage Mr. Souers and his bride came to Nodaway county to reside and since then have made their home here with the exception of a few years. They have one son, Raleigh R. Souers, title examiner with the Gillam-Jackson Loan and Trust Company. Through their long years residence in Nodaway county, Mr. and Mrs. Souers have made many warm friends who rejoice and are glad with them on this happy anniversary that still finds them in fairly good health, enjoying the love and companionship of one another and the pleasures and comforts that are the rewards of a life well lived.

Those present at the dinner yesterday were Mr. and Mrs. Souers and son, R. R. Souers, Mrs. W. A. Bonewitz and daughters, Lois and Edna, and son, James; Mr. and Mrs. Lawrence Frazee and daughter, Mr. and Mrs. G. W. Stafford and son, Harold; Aaron R. Souers and Hayden Souers.

MANY RECORDING PAPERS

Soldiers and Sailors Hurry to Get Their Discharges on Record—Bill Introduced in Legislature.

County Recorder D. R. Baker is being swamped with Soldiers' discharge papers to be recorded, more than one hundred discharges having been received within the past three days. This with the large number of realty instruments and other papers to be recorded keeps the recorder's force working overtime.

In connection with the recording of soldiers' discharges a bill has been introduced in the state legislature at Jefferson City providing for such a record without cost to the man released from service. In a letter to Recorder Baker from H. C. Clark, adjutant general he says:

"Missouri is one of the few states which has no law authorizing the recording of discharges given our soldiers and the fact that unless the same are recorded that they may be lost; and can never be replaced makes it of the utmost inportance that steps be taken immediately to preserve these records. * * * It would seem very proper for the several counties to meet the expense of recording the discharges of its returned soldiers. It is a small thing to do for these boys and doubtlesss all the county courts will be glad to act promptly without waiting for the passage of the act."

All soldiers and sailors discharges are being recorded by recorder Baker without charge.

ABODE OF MANIACS

TRAVELLERS TELL OF AWFUL SCENES ENACTED IN MOSCOW

MAKE MURDER PASTIME

Prisoners Led From Jail by Bolsheviki Jailors Shot in Public for the Mob's Amusement.

Berne, March 10.—Moscow under the reign of the Bolsheviki has been described by travellers arriving here from the east today as "an abode of maniacs." Many instances are told of prisoners of the middle and lower classes being taken from the prisons by their Bolsheviki jailors and shot in public for the amusement of the mobs that are continually thronging the streets. Tradesmen are being robbed of what few supplies they have remaining and dare not protest, the least disposition to show resistance bringing death in violent form. Unspeakable outrages are perpetrated upon the women of the upper classes and the city is a veritable hell of madness and criminal orgies that baffle description.

Berlin, March 7.—(via London, Mar. 10).—Two Spartacides who had taken part in the recent fighting in the city were summarily executed today, having been lined up against a wall and shot by government troops. FARMER GOES MILES TO TELL OF RELIEF

Vinson Lived on Milk and Eggs for Months—Takes Tanlac and Gains 15 Pounds.

"I have come twenty-six miles to tell you what Tanlac has done for me," said Joe M. Vinson, a well known farmer of Love, Miss., while in Memphis recently.

"Three years ago," he continued, "my stomach got all out of order, I couldn't digest a thing and for eight months I lived on buttermilk and the white of eggs. I was too nervous to sleep well, gas on my stomach made me miserable, I had spells of dizziness, would almost faint and could hardly get my breath. I had splitting headaches and was so bilious that I would often vomit.

Since taking tanlac my health is as good as anybody's and I feel like a new man. I eat anything I want, sleep like a rock, all the misery and swelling has gone from my stomach, I have gained fifteen pounds and can do a hard day's work. I wouldn't be in the same fix I was before taking Tanlac for my farm and the stock thrown in."

Return to Dakota.

Mr. J. E. Tobin returned this morning to his home in Oakes, N. D., after spending the last week with his mother, Mrs. Tobin on S. Mulberry, who has been seriously ill.

"Gee-Whiz! How it Hurts—The Pain in My Foot!"

"Sometimes it is in my arm. Merciful Heaven, how my back hurts in the morning!" It's all due to an overabundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking the advice of Dr. Pierce, which is "keep the kidneys in good order." "Avoid too much meat, alcohol or tea. Drink plenty of pure water, preferably hot water, before meals, and drive the uric acid out of the system by taking Anuric." This can be obtained at almost any drug store.

Send a bottle of water to the chemist at Dr. Pierce's invalids' Hotel, Buffalo, N. Y., and you will receive free medical advice as to whether the kidneys are affected. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or twinges and pains of lumbago, rheumatism or gout; or sleep is disturbed two or three times a night, take heed, before too late. Get Anuric (anti-uric-acid), for it will put new life into your kidneys and your entire system. Ask your nearest druggist for it or send Dr. Pierce ten cents for trial package.

For Township Collector.

I hereby announce my candidacy for the office of collector of Union township, subject to the action of the Democratic nomination convention.

CUT YOUR SHOE BILLS

"Heretofore, soles never lasted me more than three months, because my work keeps me walking constantly on cement. But I have worn a pair of Neolin Soles now for more than three months, and judging from their present condition, they will last three times as long." So says G. L. Kerr, manager of an automobile organization in Geneva, N. Y.

This extra wear given by Neolin Soles not only makes the shoes soled with them cheaper by the year than other shoes, but the price you pay in the first place is sometimes less than for shoes of only ordinary wear.

You can get Neolin-soled shoes in many styles for every member of the family. Try these long-wearing, comfortable and waterproof soles on your worn shoes too. All good repair shops have them. They are made by The Goodyear Tire & Rubber Co., of Akron, Ohio, who also make Wingfoot Heels, guaranteed to outwear all other heels.

Ugly, Unsightly Pimples Are Signals of Bad Blood

Give Heed to the Warning.

Pimples on the face and other parts of the body are warnings from Nature that your blood is sluggish and impoverished. Sometimes they foretell eczema, boils, blisters, scaly eruptions and other skin disorders that burn like flames of fire.

They mean that your blood needs S. S. S. to purify it and cleanse it of these impure accumulations that can cause unlimited trouble. This remedy is the greatest vegetable blood purifier known, and contains no minerals or chemicals to injure the most delicate skin.

Go to your drugstore, and get a bottle of S. S. S. today, and get rid of those unsightly and disfiguring pimples, and other skin irritations. And it will cleanse your blood thoroughly. If you wish special medical advice, you can obtain it without charge by writing to Medical Director, 29 Swift Laboratory, Atlanta, Georgia.

"I ADVISE EVERY SICK WOMAN To Try Lydia E. Pinkham's Vegetable Compound."

"I advise every suffering woman to take Lydia E. Pinkham's Vegetable Compound for it has done me so much good. I had female weakness, inflammation, pains in my sides and painful periods. I suffered for six years and tried many remedies without benefit. The doctor said I must have an operation. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers, and since taking it I am cured and have a nice baby four months old. I feel like a new woman, and have recommended your medicine to my friends. I would be glad to have everybody know what your medicine did for me, and if any write to me I will answer all letters."—Mrs. MARY CALIGURE, 317 South Main St., Herkimer, N.Y.

Every woman at some period or other in her life may suffer from just such disturbances as Mrs. Caligure, and if there is no interested friend to advise, let this be a reminder that this famous root and herb remedy has been overcoming these ailments of women for more than 40 years.

If any complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years' experience is at your service.

BUILD NEW COLORED SCHOOL

Old Building Damaged by Fire Saturday Was Erected in 1876—Has Been Condemned Several Times.

An agitation has been started to build a new building for the Douglass school since the building was damaged ... noon to the extent ... could not be held in that ... day and will resume their work tomorrow in the A. M. E. Church.

State Historical Society COLUMBIA

The present colored school building was built in 1876. It was the first building for negroes to attend school in and the only one. It is forty-three years old and has been condemned several times as unsafe and unsanitary by the humane society and others. To brighten your memory on the age of the school, the first teacher was Miss Adams. The fathers and grandfathers of the present pupils received their education in the present building.

There are twenty-five pupils in the school at present. Mrs. E. O. Boone is the teacher.

SCOUTS ATHLETIC PROGRAM

With Games and Other Events Troops 1 and 2 Entertained Their Friends Saturday Night.

Troops 1 and 2, Boy Scouts entertained their boy friends and a number of parents Saturday night at Scout headquarters with an athletic program that was hugely enjoyed by some sixty or seventy youngsters and a number of grown folks. Assistant Scoutmaster Frank Green arranged a number of events—most of them for the fun that might be had, and a blindfold boxing match between Harold Miller and Don Herndon easily took first honors; each of the three rounds was a riot—for the onlookers. Other events were:

"Let- 'er-buck," between teams from both troops.

Wrestling match: Robert Godsey and Sherman McCloud.

Boxing match: Harold Allen and Raymond Hill.

Tug-'o-war: Troops 1 and 2.

Wrestling match: Clarence Conklin and Robert Westfall.

One-armed wrestling match: Ike Miller and Paul Kissinger.

Boxing match: Donald Zook and Robert Godsey.

Staff sparring match: Laverne Robey and Vodrie Willoughby.

Game of prisoners: Troops 1 and 2.

Hot weenies and buns were served.

After the games Scout Commissioner C. E. Wells told the Scouts he was glad to see the troops growing and their organization getting stronger. He said the program offered by Scouting should interest every boy of Scout age and that there was every indication that the movement here would prove its worth.

The Scouts will begin practising Wednesday night for their part in the annual vaudeville show to be given at the Empire theatre next Monday night.

Mrs. Jennie Zook received word this morning that her son Roscoe L. Zook with the 334th Machine Gun Battalion arrived from overseas service March 7 and is now at Camp Merritt.

ANNUAL VAUDEVILLE SHOW

Big Boy Scout Event at the Empire Next Monday Night Promises to Be Better Than Ever.

The annual vaudeville show given by the Boy Scouts is announced to be given next Monday night, March 17 at the Empire theater. Those who attended the show last year remember that it was one of the best and the most entertaining amateur productions ever given here and those in charge promise that next week's event will be even better. Some eight or nine new and novel acts will comprise the entertainment, which will be in two parts and will combine comedy, music, acrobats, drills, beauty choruses and "other things too numerous to mention."

Rehearsals have been in progress for the past week and the public may be assured that they will get their money's worth.

THEIR GOLD SERVICE STRIPES

Nodaway County Boys with the American Army of Occupation Tell Cost of Prized Insignia.

Miesenheim, Germany, Feb. 29, 1919.
Editor Democrat-Forum:

We are writing this to you in the hope that it will be given publicity through the medium of your publication, so that the public may be enlightened as to what a gold service stripe means to the men overseas.

It seems that the government is going to abolish the wearing of gold service stripes as a distinction for men who have served overseas, because of the envy of those soldiers who were in the camps in the states, while we were enduring untold hardships overseas.

While they were going week-end leaves we were risking our lives on a troop ship. While they were riding home in passenger coaches, we were riding toward the front in cattle cars. While they were eating of the fat of the land, we were sometimes half starved and had to risk our lives just to get enough to appease our hunger. And, while they were facing a harmless rifle range, we had to face death in the form of a raging hell from the enemy. And while they were sleeping in good sanitary beds, we were sleeping in the open or in dugouts, with rodents for companions. And when they took a bath and changed clothes, we had to do without and become filthy and lousy with cooties; for there was no opportunity to bathe or change clothes. While they were in a quiet camp, we were facing machine gun bullets, high explosives, and gas. While they had the conveniences of light at night, we had to be satisfied with total darkness, because of exposure to the enemy.

And now that the war is practically over, they are back again at their firesides, while we must stay over here until peace is assured. And in spite of all these things they would deny us the privilege of wearing a gold stripe as a distinction for overseas service for the flag of the U. S., which helped to make the world safe for Democracy.

With no animosity towards those who did not get over here to this hell that was, we remain,

Yours respectfully,

TAX RETURNS NOT UNIFORM

Jefferson City, Mo., March 10.—Most of the Missouri counties have made their 1918 assessment returns to the state tax commission, and the results show a remarkable lack of uniformity in the values placed on proeprty by local assessors. In Buchanan county, according to the commission's figures, property was assessed at 50.24 per cent of actual cash value, the lowest in northwest Missouri save Platte county which also assessed at 50.24 per cent and Clinton county, 39.39 per cent.

In Atchison county property was assesser at 92.29 per cent of actual value Nodaway county, 77.67; Holt, 65; Andrew, 64.47; Worth, 59.90; Gentry, 73.-21; DeKalb, 84.50; Clay, 88.68, anda Jackson, 52.24. The state tax commission is now engaged in equalizing these assessments, with a view to bringing them all up to 100 per cent value.

WEDDED 55 YEARS

MR. AND MRS. HENRY SOUERS CELEBRATE ANNIVERSARY

ENTERTAIN AT DINNER

Among the Guests Present Two Were at the Wedding Which Occurred in Civil War Days.

Fifty-five years ago today Henry M. Souers, a soldier of the Civil war, was granted a furlough and wearing the army blue, he came back to his home in Huntington County, Ind., to marry his childhood sweetheart, Tressie M. McFadden. After the ceremony he hurried back to join his company and it was over a year before he saw his bride again.

The young soldier was accompanied home on his furlough by his cousin, Aaron R. Souers, also wearing the blue of the Union and for a day both forgot war and enlisted under General Cupid, the cousin serving as best man at the wedding.

Yesterday Mr. and Mrs. Souers gave a dinner party to celebrate the event holding it a day previous to make the gathering more convenient for some of the guests. Two present at the dinner yesterday were present at the marriage of Mr. and Mrs. Souers on March 10, 1864. They were Mrs. W. A. Bonewitz, a sister of Mrs. Souers, and A. R. Souers, the cousin of the groom.

Shortly after the marriage Mr. Souers and his bride came to Nodaway county to reside and since then have made their home here with the exception of a few years. They have one son, Raleigh R. Souers, title examiner with the Gillam-Jackson Loan and Trust Company. Through their long years residence in Nodaway county, Mr. and Mrs. Souers have made many warm friends who rejoice and are glad with them on this happy anniversary that still finds them in fairly good health, enjoying the love and companionship of one another and the pleasures and comforts that are the rewards of a life well lived.

Those present at the dinner yesterday were Mr. and Mrs. Souers and son, R. R. Souers, Mrs. W. A. Bonewitz and daughters, Lois and Edna, and son, James; Mr. and Mrs. Lawrence Frazee and daughter, Mr. and Mrs. G. W. Stafford and son, Harold; Aaron R. Souers and Hayden Souers.

MANY RECORDING PAPERS

Soldiers and Sailors Hurry to Get Their Discharges on Record—Bill Introduced in Legislatue.

County Recorder D. R. Baker is being swamped with Soldiers' discharge papers to be recorded, more than one hundred discharges having been received within the past three days. This with the large number of realty instruments and other papers to be recorded keeps the recorder's force working overtime.

In connection with the recording of soldiers' discharges a bill has been introduced in the state legislature at Jefferson City providing for such a record without cost to the man released from service. In a letter to Recorder Baker from H. C. Clark, adjutant general he says:

"Missouri is one of the few states which has no law authorizing the recording of discharges given our soldiers and the fact that unless the same are recorded that they may be lost; and can never be replaced makes it of the utmost importance that steps be taken immediately to preserve these records. * * * It would seem very proper for the several counties to meet the expense of recording the discharges of its returned soldiers. It is a small thing to do for these boys and doubtlesss all the county courts will be glad to act promptly without waiting for the passage of the act."

All soldiers and sailors discharges are being recorded by recorder Baker without charge.

ABODE OF MANIACS

TRAVELLERS TELL OF AWFUL SCENES ENACTED IN MOSCOW

MAKE MURDER PASTIME

Prisoners Led From Jail by Bolsheviki Jailors Shot in Public for the Mob's Amusement.

Berne, March 10.—Moscow under the reign of the Bolsheviki has been described by travellers arriving here from the east today as "an abode of maniacs." Many instances are told of prisoners of the middle and lower classes being taken from the prisons by their Bolsheviki jailors and shot in public for the amusement of the mobs that are continually thronging the streets. Tradesmen are being robbed of what few supplies they have remaining and dare not protest, the least disposition to show resistance bringing death in violent form. Unspeakable outrages are perpetrated upon the women of the upper classes and the city is a vertitable hell of madness and criminal orgies that baffle description.

CHARGED WITH KILLING FOUR

Caseville, Minn., March 10.—Paul McGee, a farmer, is held by the police here today charged with the murder of his mother and his three children, who, he has said to have confessed to having killed them with a chair as "a religious sacrifice." McGee also killed several head of cattle after which he surrendered to the police.

FIGHTING RENEWED

REDS AND GOV. TROOPS IN BERLIN IN TWO BATTLES

MANY FLEE FROM CITY

Members of the United States Military Mission at Hotel Adlon Are Safe. Hundreds of Homes in Ruins.

Fighting has again broken out in Berlin between the Spartacides and government troops. A battle took place in the district of Boabit prison and the Spittel market Saturday morning, said a Berlin dispatch today. The streets leading to Alexanderplatz were bombarded by airmen. The Platz is flanked by heaps of ruined houses and thousands of persons have been made homeless. The Spartacides occupied a part of the subway system in the fighting near Spittel market. Many persons have fled Berlin.

Copenhagen, March 10.—German government airmen bombarded Leipzig Sunday said a dispatch to the Politiken from Dresden today. The airmen flew from Weimar.

Berlin, March 7.—(via London, Mar. 10).—Two Spartacides who had taken part in the recent fighting in the city were summarily executed today, having been lined up against a wall and shot by government troops. At least 300, persons have been killed and 500 were wounded in the street fighting in Berlin alone. Alexander Platz in the central part of the city looks like a battered war front village. Apartments in the Kaiserstrasse have been blown up and the place is strewn with dead. All members of the United States Military Mission living at the Hotel Adlon are safe.

PIMPLY? WELL, DON'T BE!

People Notice It. Drive Them Off with Dr. Edwards' Olive Tablets

A pimply face will not embarrass you much longer if you get a package of Dr. Edwards' Olive Tablets. The skin should begin to clear after you have taken the tablets a few nights.

Cleanse the blood, the bowels and the liver with Dr. Edwards' Olive Tablets, the successful substitute for calomel; there's never any sickness or pain after taking them.

Dr. Edwards' Olive Tablets do that which calomel does, and just as effectively, but their action is gentle and safe instead of severe and irritating.

No one who takes Olive Tablets is ever cursed with "a dark brown taste," a bad breath, a dull, listless, "no good" feeling, constipation, torpid liver, bad disposition or pimply face.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil; you will know them by their olive color.

Dr. Edwards spent years among patients afflicted with liver and bowel complaints, and Olive Tablets are the immensely effective result.

Take one or two nightly for a week. See how much better you feel and look. 10c and 25c per box. All druggists.

FARMER GOES MILES TO TELL OF RELIEF

Vinson Lived on Milk and Eggs for Months—Takes Tanlac and Gains 15 Pounds.

"I have come twenty-six miles to tell you what Tanlac has done for me," said Joe M. Vinson, a well known farmer of Love, Miss., while in Memphis recently.

"Three years ago," he continued, "my stomach got all out of order, I couldn't digest a thing and for eight months I lived on buttermilk and the white of eggs. I was too nervous to sleep well, gas on my stomach made me miserable, I had spells of dizziness, would almost faint and could hardly get my breath. I had splitting headaches and was so bilious that I would often vomit.

Since taking tanlac my health is as good as anybody's and I feel like a new man. I eat anything I want, sleep like a rock, all the misery and swelling has gone from my stomach, I have gained fifteen pounds and can do a hard day's work. I wouldn't be in the same fix I was before taking Tanlac for my farm and the stock thrown in."

Tanlac is sold in Maryville by the Koch Pharmacy and by A. M. Colly, Conception Junctio..; H. M. Lincoln, Pickering, and Carter Pharmacy, Burlington Junction, Mo., and in Barnard by Bear Drug Store, in Elmo by King Drug Co., and in Clearmont by Dr. W. H. Wiley.—Adv.

Return to Dakota.

Mr. J. E. Tobin returned this morning to his home in Oakes, N. D., after spending the last week with his mother, Mrs. Tobin on S. Mulberry, who has been seriously ill.

"Gee-Whiz! How it Hurts—The Pain in My Foot!"

"Sometimes it is in my arm. Merciful Heaven, how my back hurts in the morning!" It's all due to an overabundance of that poison called uric acid. The kidneys are not able to get rid of it. Such conditions you can readily overcome, and prolong life by taking the advice of Dr. Pierce, which is "keep the kidneys in good order." "Avoid too much meat, alcohol or tea. Drink plenty of pure water, preferably hot water, before meals, and drive the uric acid out of the system by taking Anuric." This can be obtained at almost any drug store.

Send a bottle of water to the chemist at Dr. Pierce's Invalids' Hotel, Buffalo, N. Y., and you will receive free medical advice as to whether the kidneys are affected. When your kidneys get sluggish and clog, you suffer from backache, sick-headache, dizzy spells, or twinges of pains of lumbago, rheumatism or gout; or sleep is disturbed two or three times a night, take heed, before too late. Get Anuric (anti-uric-acid), for it will put new life into your kidneys and your entire system. Ask your nearest druggist for it or send Dr. Pierce ten cents for trial package.

For Township Collector.

I hereby announce my candidacy for the office of collector of Union township, subject to the action of the Democratic nomination convention.

CUT YOUR SHOE BILLS

"Heretofore, soles never lasted me more than three months, because my work keeps me walking constantly on cement. But I have worn a pair of Neolin Soles now for more than three months, and judging from their present condition, they will last three times as long." So says G. L. Kerr, manager of an automobile organization in Geneva, N. Y.

This extra wear given by Neolin Soles not only makes the shoes soled with them cheaper by the year than other shoes, but the price you pay in the first place is sometimes less than for shoes of only ordinary wear.

You can get Neolin-soled shoes in many styles for every member of the family. Try these long-wearing, comfortable and waterproof soles on your worn shoes too. All good repair shops have them. They are made by The Goodyear Tire & Rubber Co., of Akron, Ohio, who also make Wingfoot Heels, guaranteed to outwear all other heels.

Ugly, Unsightly Pimples Are Signals of Bad Blood

Give Heed to the Warning.

Pimples on the face and other parts of the body are warnings from Nature that your blood is sluggish and impoverished. Sometimes they foretell eczema, boils, blisters, scaly eruptions and other skin disorders that burn like flames of fire.

They mean that your blood needs S. S. S. to purify it and cleanse it of these impure accumulations that can cause unlimited trouble. This remedy is the greatest vegetable blood purifier known, and contains no minerals or chemicals to injure the most delicate skin.

Go to your drugstore, and get a bottle of S. S. S. today, and get rid of those unsightly and disfiguring pimples, and other skin irritations. And it will cleanse your blood thoroughly. If you wish special medical advice, you can obtain it without charge by writing to Medical Director, 29 Swift Laboratory, Atlanta, Georgia.

"I ADVISE EVERY SICK WOMAN

To Try Lydia E. Pinkham's Vegetable Compound."

"I advise every suffering woman to take Lydia E. Pinkham's Vegetable Compound for it has done me so much good. I had female weakness, inflammation, pains in my sides and painful periods. I suffered for six years and tried many remedies without benefit. The doctor said I must have an operation. I read about Lydia E. Pinkham's Vegetable Compound in the newspapers, and since taking it I am cured and have a nice baby four months old. I feel like a new woman, and have recommended your medicine to my friends. I would be glad to have everybody know what your medicine did for me, and if any write to me I will answer all letters."—Mrs. MARY CALIGURE, 317 South Main St., Herkimer, N.Y.

Every woman at some period or other in her life may suffer from just such disturbances as Mrs. Caligure, and if there is no interested friend to advise, let this be a reminder that this famous root and herb remedy has been overcoming these ailments of women for more than 40 years.

If any complications exist, write Lydia E. Pinkham Medicine Co., Lynn, Mass., for advice. The result of many years' experience is at your service.
